

How Do I Join Two Locked PDF Documents Together?

This article teaches how two PDFs output from developer/test engine licenses can be joined.

 The functionality to join two locked PDF documents was added to Windward Core in version 20.0.0.

Merging PDF Files in Adobe PDF Editor

For users using Adobe PDF Editor please see the following link in on how to merge pdf outputs

<https://acrobat.adobe.com/us/en/acrobat/how-to/merge-combine-pdf-files-online.html>

Joining PDF Files using Windward Java Engine

PDFs can be joined using an API call, users can learn more [here](#).

Joining PDF Files using the Windward .NET Engine

PDFs can be joined using an API call, users can learn more [here](#).
